We dedicate this book to
DAVID SHOLTZ
*as an expression of our love
and gratitude to one who is
an inspiring example of in-
tegrity and knowledge, who
shows an active interest in
every phase of our college
life, and who stimulates our
desire to reach the higher goal
of achievement which he has
set for us.*

Foreword

If by furnishing you with these few sights from our college home and insights into the life of our Alma Mater, we inspire you with loyal friendship for Stetson and awaken in your hearts cherished memories, the goal for which we have striven will have been attained.

PRESIDENT LINCOLN HULLEY'S GREETING

To My Students:

It is a pleasure to me to send you this greeting. Your cooperation in the work of the University has made possible the high standard of efficiency attained in scholarship, conduct, and character, and has put Stetson on the map.

It makes me grateful to think of your devotion to excellence in all things. However short any of us may fall of the goal set, the striving is always there. And one's moral worth is measured by effort.

On the basis of your good use of your opportunities I have always predicted that larger fields and bigger chances will come to you. As to gifts, use or lose is a certain rule. No one can escape the working of that law. You are using, not losing.

Because you are using life right, its value will increase, your strength will also increase, your shoulders will grow broader and stronger for other responsibilities, and your success will be more sure. This is the source of my great confidence in you.

None of us have any plain or success or happiness, on health or achievement, unless we pay the price and meet the conditions on which they rest. Once more I clasp your hands wishing for you that life may yield its choicest blessings to you. You are my life, my joy, my crown!

Your friend and President,

Lincoln Hulley

The Alumni Association of John B. Stetson University was incorporated under the laws of the State of Florida in November, 1930. Judge Ollie Edmunds served as first President until the first election, when Governor Doyle Carlton was elected to serve as first President.

At the annual meeting in the fall of 1931, John Duss, Jr., was elected President and immediately began to perfect the organization by appointing a committee to select an Executive Secretary who would work full time for the betterment of the Association.

Chan Johnson was chosen to act as Executive Secretary, and he began work on December 15. With the splendid co-operation of the officers, Board of Governors, and many loyal alumni, he is busily engaged in setting up the Alumni Office, forming local units, and publishing the Stetson Alumnus.

The Classes of '87, '92, '97, '02, '07, and so on every five years will have their Class Reunion this year at Homecoming time. All classes meet for reunions every five years from the date of their graduation.

A permanent endowment fund will be built up through class subscriptions and legacies, the proceeds of which will be used for the betterment of our Alma Mater.

Thespians of Stetson are much pleased with the results obtained this year in their dramatic presentations. The play "Lilies of the Field" opened the season on October 9, 1931, in a manner which promised great things for 1931-32. This was followed by "The Drum Major," a play written by Dr. Lincoln Hulley, and presented as a feature of the Homecoming Program, November 6, 1931. "Daddy Long Legs" was presented December 11, 1931, in a most pleasing manner. The following production, "The Rear Car," given January 29, was a mystery play, and was accorded the honor of being our "road show" of the year. We were indeed proud of the realistic set prepared for it, and of the effects, weird and otherwise, achieved through the conveniences our new Assembly Hall affords. The next production was another play of Dr. Hulley's, a tragedy developing the doctrine of predestination, entitled "The Potter's Wheel." On the 17th of March James Barrie's delightfully quaint drama, "Quality Street," was presented. The April play, "The Passing of the Third Floor Back," was given successfully. The annual commencement play produced this year was "The Rivals," the afternoon and evening performances of which brought the activities of Thespians for the year 1931-32 to a close with the satisfied feeling that their endeavors had not been without reward.

Varsity Football Team

Working under the double handicap of numerous injuries and a formidable schedule, the football team did not show up so well on the scoreboard. However, it was a different story when it came to winning moral victories and the respect of opponents. In every game of the season Stetson outplayed her foes until the lack of reserve strength began to tell. It was very obvious that Stetson was much superior to teams in like circumstances, as was proven in her easy victories over Erskine, Southern and South Georgia College.

As a whole the team must be given much credit for the invincible spirit which enabled them to hold such teams as Centenary and Mercer to low scores. The team functioned around such pivots as Socash, Captain Mosely and Ulrich, all three of them seniors who earned honorable mention on the All-S. I. A. A.

Each individual showed the spirit of fight which goes to make up a great team and all exhibited excellent teamwork in defeat as well as victory.

Coach McQuillan and his assistants deserve much credit for the way they moulded from comparatively green material a team for which Stetson should be justly proud. We feel that with the return of seasoned players for next fall McQuillan will have no trouble in picking a team which will lead the conference.

JOHN URICH

Captain and Forward

Johnny has played his last game for Stetson and in the last two seasons has made a name for himself that will not only be remembered by his team-mates but also by the opponents against whom he played. His accuracy in making field goals has brought him the title of a "sharp shootin' forward" and we know that the McQuillan-coached aggregation will miss him.

GEORGE STRAUS

Guard

Straussy, playing his first year on the team, held down a regular guard position. His accurate passing and basket shooting made him a threat to the best of his opponents. Much credit must be given him for the success of the team as he was always giving his utmost.

JOSEPH CHECK

Forward

Joe looked like a veteran this year and next year will be able to fill any position because of his versatility. Joe was a good floor man and his deception was very baffling to his opponents and with his return next year he should be one of the most valuable on the squad.

*WINFIELD MOSELY

Guard

Mose could always be depended on when the going was the hardest to make a few baskets that would pull the game out of the fire. He is a Stetson product of whom we can feel proud. We will miss him next year and know that a man to fill his shoes will be hard to find.

ROBERT MORRIS

Forward

Bob is one of the best forwards that ever donned a Stetson uniform and is noted for the spirit of fight that it takes to make a team successful. We will miss him next year and only hope that Coach will find someone to fill his place.

*LESTER SHIBEL

Forward

Bus did not play long on the team this year, because of an injury he received during the football season. He will be back with us next year and we wish him better luck.

Not in picture.

Basket-ball

JOHN GORZIMAN

Center

John has one more year to wear the green and white and with his ability should be one of the best centers that Stetson has ever turned out as well as one of the best in the South. John's knack of tapping them in under the basket will make him valuable to any man's team.

ROBERT SANDELS

Center

Bob has one more year on the varsity and if he shows the spirit that he has shown this year will be an asset to the team as well as a threat to the opponents.

WILLARD HALDIMAN

Guard

You've heard of those dark horses—well, Buddy was the man who was dark horse in the Georgia game—and what a man! He is one important reason why Stetson should have another championship team next year.

*WILLIAM TOMYNS

Forward

Bill was playing his first year on the team and Coach McQuillan is expecting big things from him next season. Bill was lacking in experience, but with what he gained this year will be a main cog in the works next season.

JOHN SOCASIE

Guard

Soakie, a veteran guard, has all the qualities it takes to make a real basket-ball player. His earnestness to play the game has given him a trait that will make him a success in life. We regret that he will not be with us next year.

*HORACE JONAH

Guard

Jonah had a spirit that must be respected by the opponents and his own team-mates. He lacked the experience it takes to make a veteran ball player, but his never-say-die spirit soon helped him overcome his faults and we will be glad to see him in a uniform next year.

pay big dividends

INVEST in a Stetson and you will receive rich dividends in style, satisfaction and enhanced appearance.

STETSON HATS are smart hats for smart people who know how important it is for them to look their best. They know that the hat proclaims the man—that a Stetson is worth what they pay for it, and more. There's nothing to compare with a Stetson—no matter how you look at it.
